Change in Continuous Internal Evaluation (CIE) Policy (w.e.f Session 2023-24_Even Semester)

The University follows Continuous Internal Evaluation where students are assessed through various components such as Internal Tests, Class Performance and Teacher's Assessment which provides ample opportunity to the students to enhance their learning, inculcate problem solving approach and critical thinking ability among students.

As per University Examination Policy (w.e.f 2022-23), three (03) Internal Tests were being conducted across the University and best 02 out of 03 ITs were being considered for CIE.

Now there is a change in the Continuous Internal Evaluation Policy w.e.f Session 2023-24 (Even Semester). As per revised policy, now all three (03) Internal Tests (ITs) will be compulsory and obtained marks in all the ITs shall be considered for CIE calculation whereas guidelines of Statutory Bodies shall be considered (if applicable in respective programmes).
